Just back to hotel, presume you don't want to speak tonight. Let me know if you want to speak in the morning. Breakfast for me is 7:30 so will be up way before that. Or call me now if you are up.

Hi Bruce,

I know that ORD is trying to be helpful -- never doubted it. □

My day is pretty open tomorrow, so let me know a good time for you and Liz. I'll come over to RRB.

Thanks,

Hi Liz (and Bruce),

I don't know whether all of the folks on the lists from OPA are associated with the Heartland Institute, so I don't know that sending one invite to the institute will accomplish the same goal. The expectation among the political team is that invites will be sent to the individuals on the lists from OPA.

I'm home for the evening (and hope that you are heading out the door), but I'll be in tomorrow. We can talk then, if you'd like.

Thanks,

Susan

Hi Susan

No it did not go out. As invitations are sent to organizations and not individuals, would sending this to a contact at the Heartland Institute be more appropriate and consistent with current practices?

Feel free to call.

I'm a bit confused by the emails. Susan, let's follow up tomorrow before I do anything.

Thank you!

I assume someone is going to tell Tom that those invites need to go out to everyone on their list? Didn't know if any follow up was needed to make sure that happens.
